### **Treasurer's Report**

It gives me great pleasure that I present the association's financial statements for the year ended 31 March, 2020.

Our operating surplus for the year was \$1,412,162 (2019 loss \$86,171).

Highlights for the year;

- the successful settlement of the matter involving a loan to South Sydney Leagues Club (SSLC).
- the significant progress that was made on the construction of our new building at 36-38 Gardeners Road, Kingsford.

The above are reflected in our financial position at year end with net assets \$5,953,399.

The Association opened its new home on 15 May 2021.

Once again my thanks to the committee and other volunteers for their help during the year.

Ross Karp  
Treasurer

## **President's Report**

Dear Members,

I am pleased to advise members that the building works will recommence in July 2020 as we have secured funding from a lender to complete the entire building. The building when finished will contain, two residential apartments and a restaurant which will then be our primary source of income and a home for our Association which we have not had for over 10 years. Completion is expected within the next 12 months so this time next year we will have our AGM in our own new premises.

The current Board has been careful in its plan to progress with the building at Gardeners Road, Kingsford. I urge all members attend our AGM at which time I will present a full report of the current position on the development of the building and our financial status and future projections. This is a critical time in our Association's history, it is the time to rebuild and create a future for our Association.

Our Association has a proud history, from humble beginnings in 1924, it has been active in NSW for over 90 years due to the continued efforts of its members. When finished our new building will be the centerpiece for Castellorizians Australians in Sydney.

Notwithstanding our focus on the building works, we have continued to provide social events to our member and friends. The social committee has appreciated your past support in attending functions and seeks your continued support. We recently distributed a 4 page full colour newsletter to all members to showcase our forthcoming functions and information relating to our History and Archives projects. The next year, your support through attendance at these functions is even more important both from a community viewpoint and more importantly because currently successful social events are our only source of income.

We also ask those who have not already booked to book tickets for the 2019 Spring Ball, we are also looking for more Debutants for the Ball to continue the tradition of the Debutant Ball. Please email us at [cazzieclub@outlook.com](mailto:cazzieclub@outlook.com)

Yours Sincerely  
George Pizanis

### **Note 1. Corporate Information**

The financial report of The Castellorizian Association of New South Wales Limited (the Company) for the year ended 31 March 2020 was authorised by the directors on the date of the declaration signed by the directors.

The Castellorizian Association of New South Wales Limited is a company limited by guarantee and without share capital. It is incorporated and domiciled in Australia. In accordance with the Constitution the liability of members in the event of the Company being wound up would not exceed \$2 per member.

The nature of the operations and principal activities of the Company are described in the Directors' Report.

### **Note 2. Summary of Significant Accounting Policies**

#### **(a) Basis of preparation**

The financial report is a special purpose financial report which has been prepared in accordance with the requirements of the Corporations Act 2001, Australian Accounting Standards - Reduced Disclosure Requirements and other authoritative pronouncements of the Australian Accounting Standards Board and Urgent Issues Group Interpretations.

The financial report has been prepared on a historical cost basis, unless otherwise stated. The financial report is presented in Australian dollars (\$).

#### **(b) Going Concern**

The Directors note that the company's operation was impacted by the extensive refurbishment activities undertaken at its signature location on 36-38 Gardener Road, Kingsford from July 2019 onwards. In addition, the Covid-19 pandemic had an impact on the operation of the company due to restrictions being placed on works. At the date of this report the restrictions are being eased. The directors are confident that the company has sufficient reserves and cash flow to be able to pay its debts as and when they become due and payable and that it is therefore appropriate to prepare the financial statements on the going concern basis.

The financial report has been prepared on a going concern basis, which contemplates continuity of normal business activities and realisation of assets and settlement of liabilities in the ordinary course of business. At 31 March 2020, the Company's total current assets exceeded total current liabilities by \$1,271,436.

#### **(c) Statement of compliance**

The accounting policies adopted are consistent with those of the previous financial year. Other new/revised standards and interpretations applicable for the year commencing 1 April 2017 have been reviewed and it has been determined that those new/revised standards and interpretations do not have a material effect on the measurement and recording of items in the balance sheet and statement of comprehensive income. The financial report complies with Australian Accounting Standards.

#### **(d) Cash and cash equivalents**

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand.

For the purposes of the Cash Flow Statement, cash and cash equivalents consist of cash and cash equivalents as defined above. Commercial bills are included within interest-bearing loans and borrowings in current liabilities on the balance sheet.

**(e) Trade and other receivables**

Trade receivables, which generally have 60 day terms, are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less an allowance for impairment. Collectability of trade receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that the Company will not be able to collect the debt.

**(f) Inventories**

Inventories are valued at the lower of cost and net realisable value.

**(g) Property, plant and equipment**

Property, plant and equipment are stated at historical cost less accumulated depreciation and any accumulated impairment losses.

Depreciation is calculated on a straight-line basis over the estimated useful life of the assets as follows:

Freehold Land - not depreciated

Buildings (Including bar and restaurant) - over 40 years

Plant and equipment - over 2.5 to 20 years

The assets' residual values, useful lives and amortisation methods are reviewed, and adjusted if appropriate, at each financial year-end.

*Disposal*

An item of property, plant and equipment is derecognised upon disposal or when no further future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the year the asset is derecognised.

**(h) Leases**

The determination of whether an arrangement is or contains a lease is based on the substance of the arrangement and requires an assessment of whether the fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset.

*Company as a lessee*

Finance lease that transfer substantially all the risks and benefits incidental to ownership of the leased item to the Company, are capitalised at the commencement of the lease at the fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the income statement.

A lease asset is depreciated over the useful life of the asset. However, there is no reasonable certainty that the company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expense in the income statement on a straight line basis over the lease term. Operating lease incentives are recognised as a liability when received and subsequently reduced by allocating lease payments between rental expense and reduction of the liability.

**(i) Impairment of non-financial assets**

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. The Directors conduct an annual internal review of asset values, which is used as a source of information to assess for any indicators of impairment. External factors, such as changes in economic conditions, are also monitored to assess indicators of impairment. If any indication of impairment exists, an estimate of the asset's recoverable amount is calculated.

**(j) Trade and other payables**

Trade payables and other payables are carried at amortised cost. They represent liabilities for goods and services provided to the Company prior to the end of the financial year that are unpaid and arise when the Company becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured and are usually paid within 30 days of recognition.

**(k) Interest-bearing loans and borrowings**

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Fees paid on the establishment of loan facilities that are yield related are included as part of the carrying amount of the loans and borrowings. Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

**(l) Borrowing costs**

Borrowing costs are recognised as an expense when incurred.

**(m) Employee leave benefits**

*(i) Wages, salaries and annual leave*

Liabilities for wages and salaries, including non-monetary benefits and annual leave expected to be settled within 12 months of the reporting date are recognised in respect of employees' services up to the reporting date. They are measured at the amounts expected to be paid when the liabilities are settled.

*(ii) Long service leave*

The liability for long service leave is recognised and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures, and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currencies that match, as closely as possible, the estimated future cash outflows.

**(n) Revenue recognition**

Revenue is recognised and measured at the fair value of the consideration received or receivable to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised:

*(i) Sales of goods and rendering of services*

Revenue comprises revenue earned from the Club's trading activities including bar and function sales, regalia sales, dining room and catering receipts and marina sales. It is recognised as income when earned.

*(ii) Membership*

Membership subscriptions are deferred to the period in which the income related. All costs associated with the procurement of membership subscriptions are expensed as incurred.

*(iii) Interest income*

Revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

*(iv) Other Revenue*

Other revenue is recognised when the right to receive the revenue has been established.

**(o) Income tax**

The Income Tax Assessment Act 1997 (Amended) provides that under the concept of mutuality, companies are only liable for income tax on income derived from non-members and from outside entities. The assessable income of the Company for income tax purposes comprises only certain income deemed to be derived from non-member activities. Conversely, allowable deductions for income tax purposes are limited to certain expenses and statutory deductions.

Deferred income tax assets are recognised for all deductible temporary differences, carry-forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry-forward of unused tax credits and unused tax losses can be utilised.

Unrecognised deferred income tax assets are reassessed at each balance sheet date and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

**(p) Other taxes**

Revenues, expenses and assets are recognised net of the amount of GST except:

- when the GST incurred on a purchase of goods and services is not recoverable from the taxation authority, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- receivables and payables, which are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet. Cash flows are included in the Cash Flow Statement on a gross basis and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the taxation authority is classified as part of operating cash flows. Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the taxation authority.

**(q) Significant Accounting Judgements, Estimates and Assumptions**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements and estimates on historical experience and on other various factors it believes to be reasonable under the circumstances, the result of which form the basis of the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates under different assumptions and conditions.

Management has identified the following critical accounting policies for which significant judgements, estimates and assumptions are made. Actual results may differ from these estimates under different assumptions and conditions and may materially affect financial results or the financial position reported in future periods. Further details of the nature of these assumptions and conditions may be found in the relevant notes to the financial statements.

**(i) Significant accounting judgments**

*Impairment of non-financial assets*

The Company assesses impairment of all assets at each reporting date by evaluating conditions specific to the Company and to the particular asset that may lead to impairment. These include technology, economic and political environments. If an impairment trigger exists the recoverable amount of the asset is determined. If an impairment trigger exists the recoverable amount of the asset is determined.

*Estimation of useful lives of assets*

The estimation of the useful lives of assets has been based on historical experience as well as manufacturers' warranties (for plant and equipment), lease terms (for leased equipment) and turnover policies (for motor vehicles). In addition, the condition of the assets is assessed at least once per year and considered against the remaining useful life. Adjustments to useful lives are made when considered necessary.

**Independent Audit Report to the members of The Castellorizian Association of NSW Limited**  
**Opinion**

*We have audited the financial report of The Castellorizian Association of NSW Limited which comprises the statement of financial position as at 31 March 2020, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.*

*In our opinion, the accompanying financial report of the Company is in accordance with the Corporations Act 2001, including:*

*a) giving a true and fair view of the Company's financial position as at 31 March 2020 and of its financial performance for the year ended on that date; and*

*b) complying with Australian Accounting Standards – Reduced Disclosure Requirements and the Corporations Regulations 2001.*

**Basis for Opinion**

*We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.*

*We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.*

**Information Other than the Financial Report and Auditor's Report Thereon**

*The directors are responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.*

*In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.*

*If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.*

**Responsibilities of the Directors for the Financial Report**

*The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.*

*In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.*

**Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant deficiencies in internal control that we identify during our audit.
